Cutting Edge Manufacturing and R&D

JSI's refrigeration team is dedicated to providing the highest quality refrigerated displays. Utilizing industry-leading components and LEAN manufacturing principles, we ensure that each and every unit meets our strict quality guidelines.

Quality

Premium materials and expert craftsmanship ensure unmatched quality in every display.

Efficiency

Dedicated refrigeration facility ensures faster delivery and lower freight costs nationwide.

Innovation

At JSI, your goals drive our innovation—visit our facilities to see it in action!

Next-Gen Refrigeration Solutions for Effortless Compliance

Our new line of self-contained displays are designed to minimize environmental impact while maintaining the highest quality of product freshness.

Powered by R290

R290 significantly reduces greenhouse gas emissions, lowering your environmental impact.

Energy Efficient

Delivers enhanced cooling performance while using less energy, saving on operational costs.

Easy Compliance

Meets current and future environmental regulations effortlessly, simplifying sustainability initiatives.

Product Spotlight

3-Sided Refrigerated End Cap Display

360° visibility invites customers to explore a variety of fresh products from multiple angles, encouraging spontaneous buys while they shop. **See page 8.**

Product Spotlight

49" Refrigerated Slant Merchandiser

Keep products fresh and visually enticing with precise temperature control and a sleek, energy-efficient design. **See page 22.**

Digital Signage

JSI refrigerated displays, paired with dynamic LSI digital signage, create a powerful duo that attracts attention, drives impulse sales, and enhances the in-store shopping experience.

Visual Design Services

Proficient in the latest CAD and image editing software, our team’s high-level “executive renderings” will help facilitate a more comprehensive vision of customized merchandising and demonstrate opportunity for operational excellence in client stores.

True-to-Scale Context

See layouts, accessories and product aesthetic through the eyes of your customer.

Mix and Match

Experiment with options like display accessories, digital menu boards, custom product and more.

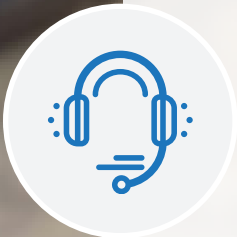

Design Personalization

Tailor materials, finishes, colors, signage, graphics, and merchandising to suit your unique brand.

New at JSI: Customer Video Assistant (CVA)

Our new **Customer Video Assistant** allows customers to video call our experts to address maintenance concerns in a faster and more convenient way.

Faster Issue Resolution

Real-time support calls enable JSI's support team to quickly diagnose problems, provide accurate solutions, and reduce downtime for displays.

Convenience

Customers can easily connect with JSI's support team from anywhere using a mobile device.

Cost Savings

Our CVA often replaces the need for an on-site visit, saving time and money for the customer.

JSI: Your One-Stop Shop

At JSI, we're more than just refrigerated and ambient display experts—we're your one-stop shop for complete retail solutions.

As a proud division of LSI Industries, we're backed by a powerhouse of complementary capabilities that span architectural lighting, graphics, décor, and millwork. That means when you work with JSI, you're not just checking boxes—you're streamlining your project through a single, trusted partner with the resources to bring every aspect of your store to life.
