GROCERY

LSI has more than thirty years’ experience in the grocery industry, understanding how to create value for customers.

Elevating brand visibility, enhancing merchandise displays, reducing energy consumption and improving the shopping experience are included in the many ways LSI provides value for the grocer.

Our products meet or exceed industry standards.

MILLWORK

Customization and creativity are at the core of what we do.

Our teams of engineers, designers and master builders work with our customers to craft a hardwood, solid surface, plastic or glass solution to your specifications.

- Service & Sales Counters
- Food Cabinets
- Fountain Walls & Partitions

Utilizing our network of locations means you don't have to wait for your finished product.

- Sandwich Islands
- Coffee Bars
- Bathroom Vanities
