## Description: CRS Petroleum Canopy Series

LSI Agents and Internal Staff,

As we restructure our product portfolio, it is necessary to streamline and evolve our core product offering. This will allow us to focus on *newer, more innovative designs and emerging technologies* that are more aligned with customers' requirements.

**The CRS Petroleum Canopy Series has been discontinued. Inventory on these products has been depleted. Returns (RMAs) for these products will no longer be accepted. We are recommending the Scottsdale Vertex (SCV) LED Petroleum Canopy as a substitute for new customer requests.**

All technical information for the CRS has been removed from our website.
