Description: Legacy CRU Petroleum Canopy Series

LSI Agents and Internal Staff,

As we restructure our product portfolio, it is necessary to streamline and evolve our core product offering. This will allow us to focus on *newer, more innovative designs and emerging technologies* that are more aligned with customers' requirements.

The Legacy CRU Petroleum Canopy Series is being discontinued. Based on the current order rate we expect supplies on the CRU to last through FY18 (June 2018). This discontinuation includes all CRU versions including the Surface Mount (CRU SM). We are recommending the Scottsdale Vertex (SCV) LED Petroleum Canopy as a substitute for new customer requests.

Please note this discontinuation *does not include CRUS*. All CRUS luminaires are also an acceptable substitute for new customer requests.

Discontinued Products Series	Recommended Product Series
Legacy CRU Petroleum Canopy Series	Scottsdale Vertex (SCV)
	

Thank you for supporting LSI; we look forward to bringing you new solutions on an ongoing basis.

Jamie Thomas
LSI – Outdoor Product Manager

Steven D. Lowe
Vice President of Product Management
