

LIFESTYLE (XDLS, XDLM)

Aesthetics Meets Performance

Get Highly Versatile Architectural Styling Paired with Specification Grade Performance

The Lifestyle Family of luminaires offer specification grade performance with zero uplift and an appearance that is second to none. Using a variety of architectural housing elements and mounting options, you can create multiple looks that meet virtually any design application. Choose the shade, size, mount, color, and optics that are right for your project. The possibilities are uniquely satisfying; simply mix, match and stand back to marvel at your custom creation.

Two Housing Sizes & Shade Options

Lifestyle Medium (XDLM)

Lifestyle Small (XDLS)
