**Product: XMR      Description: Mirada Round**

LSI Agents and Internal Staff,

As we restructure our product portfolio, it is necessary to streamline and evolve our core product offering. This will allow us to focus on *newer, more innovative designs and emerging technologies* that are more aligned with customers' requirements.

**The Mirada Round LED Area Light is being phased-out and discontinued. Orders will be accepted while supplies last. Returns (RMAs) for this product will no longer be accepted. We are recommending our Specification grade – Mirada Medium as an alternative for new customer requests.** The Mirada Medium family features a variety of lumen packages, superior performance and enhanced aesthetics and will meet DLC Premium and Standard.

Once all component material is depleted, we will remove all technical information from our website.

**DISCONTINUED PRODUCT SERIES  
(XMR)**

**RECOMMENDED PRODUCT SERIES  
(XALM)**

Thank you for supporting LSI; we look forward to bringing you new solutions on an ongoing basis.
