## WHY LSI?

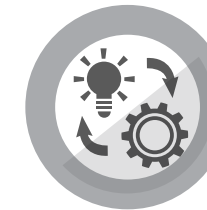

From the Grocery store to the C-store to the Quick Serve restaurant to the Dealership sales floor, our printed graphics and décor elements are everywhere you look! LSI is one of America's leading providers of printed graphics, way finding signage and custom retail environment décor solutions. Our program solutions help our partners bolster their reputations, increase brand awareness and enhance the customer experience (CX).

## OUR VALUE

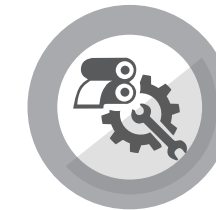

The value that LSI offers to our partners extends well beyond providing custom signage. We work as an extension of your team, bringing vast experience and multiple capabilities to every program. We take a holistic approach to implementing world class, turnkey solutions that will enhance your ability to serve customers and grow your business.

# DESIGN TRANSLATION & VALUE ENGINEERING

At LSI, we are capable of complete design creation. Our preferred method is design translation through value engineering the concept without deviating from the original design intent. In our view, this is a better approach to ensure true collaboration with our partners.

# INNOVATION, INGENUITY & IMPLEMENTATION

LSI is more than a vendor. We can be the strategic partner needed to elevate your image into the future! We can also help you manage the process from start to completion.

# GROCERY STORE

*Enhance the shopping experience.*

The majority of shoppers are still visiting their favorite grocer to purchase farm fresh and organic produce, butcher's select cuts of meat and freshly baked goods. Adding LSI's illuminated décor elements, way finding signage and traditional printed graphics can help you bolster your brand image, enhance the customer experience and customer loyalty.

# PHARMACY STORES

*Enhance the consultation experience.*

Customers still value in person engagement with their local pharmacies staff. LSI's illuminated décor elements way finding signage and traditional printed graphics can help enhance the customer experience and customer loyalty.

Don't forget to ask us about our exterior canopy solutions!

# CONVENIENCE STORES

*Enhance customer loyalty.*

Exterior enhancements present eye grabbing, vibrant elements that direct attention from the dispenser to the C-store. By combining LSI's illuminated décor elements with traditional print graphics, you will be able to reinforce your leading reputation as a safe, engaging and inviting place to shop.

## ARCHER® Downlighter

Designed for seamless, continuous row mounting on a canopy fascia, our Archer lighting system creates dramatic, artistic canopy illumination. This solution adds vibrant LED color to new canopy installations, as well as existing canopy structures.

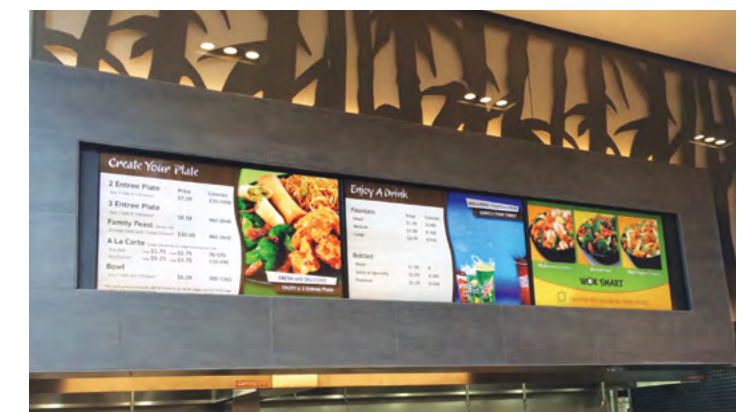

# QUICK SERVE RESTAURANTS

*Enhance the dining and drive-thru experiences.*

LSI's turnkey décor solutions make it easy to refresh your image on the interior of your restaurant to enhance the overall customer ordering and dining experiences.

# RETAIL

*Enhance the shopping experience.*

While e-commerce is a popular segment within the retail industry, the majority of everyday retail transactions are still taking place in brick and mortar retail establishments. Infusing LSI's illuminated décor elements with traditional print graphics will help increase brand visibility and reinforce your leading reputation as an inviting and alluring setting for new and existing customers.

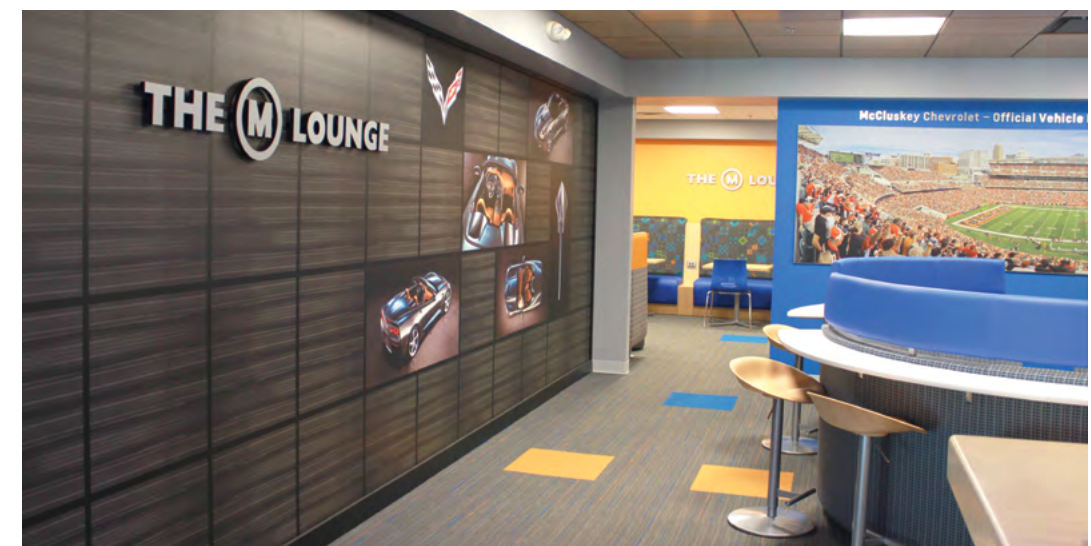

# AUTOMOTIVE

*Enhance the dealership experience.*

The dealership is synonymous with the quality and performance of its leading brands. Implementing LSI's illuminated décor elements with traditional print graphics reinforces your leading reputation as an inviting and professional space for new and existing customers.

# OFFICE ENVIRONMENT

*Enhance the level of professionalism.*

Whether it's a space for employees, patients or clients, your office environment is an extension of your operation's brand and image. Applying LSI's illuminated décor elements with traditional print graphics help to establish an inviting and professional space for your internal and external stakeholders.

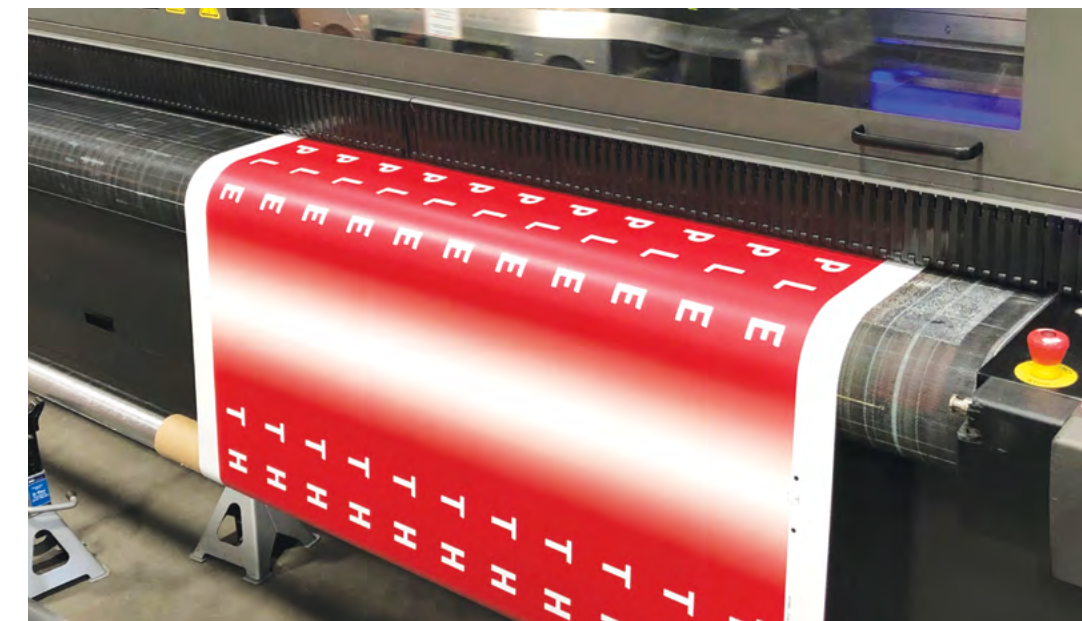

# FLEET DECAL PROGRAMS

*Enhance brand awareness in traffic.*

Vehicles graphics are the most effective and efficient form of outdoor advertising. LSI's vehicle graphic decal program solutions can help to bolster your name and brand recognition in the marketplace.
