QUICK LINKS

FEATURES & SPECIFICATIONS

Construction

- Extruded aluminum housing with high-grade acrylic panel
- Pivoting design for simple installation
- Compact low-profile design for ease of maintenance
- Mirror panel standard on double-face signs
- All configurations include field-selectable directional chevrons
- Standard finish: White and Satin Aluminum

Optical System

- Illuminated by long-life, high intensity red or green LEDs
- Fully-illuminated 6" characters with 3/4" stroke

Electrical

- Standard Universal Voltage - 120/277VAC dual primary at 60Hz
- Low voltage disconnect eliminates deep discharge
- Test button to provide manual verification of the transfer circuit and emergency lamps

Battery

- Maintenance free NiCad Battery (WB only)
- Operating Temperatures 0°C to 40°C (32°F to 104°F)

Installation

- All configurations include universal surface and recessed mounting kits
- Universal surface ceiling, end, or wall mounting
- Recessed ceiling mount accessible above the plenum with electronics and battery contained in housing

Warranty

- 3 year warranty on all electronics and housing. Refer to <https://www.lsicorp.com/resources/terms-conditions-warranty/> for more information
- Separate 2 year pro-rated warranty on the battery
