TLFL Series Large LED Flood Light

LSI flood lights are the most powerful LED flood lights available in the market today. They use optical grade individual acrylic lenses which deliver more lumens to the desired target, guaranteeing more footcandles, less glare and less wasted light.

Features & Specifications

Optical System

- LSI flood lights utilize individual lenses for maximum light intensity.
- Lenses are made of optical grade acrylic guaranteeing more footcandles, less glare and less wasted light.
- Minimum CRI of 70

Electrical

- High-performance driver features over-voltage, under voltage, short-circuit and over temperature protection.
- 0-10 volt dimming (10% - 100%) standard.
- Standard Universal Voltage (120-277 Vac) Input 50/60 Hz
- L70 Calculated Life: >100k Hours
- Total harmonic distortion: <20%
- Power factor: >.85
- Input power stays constant over life.
- Driver Off-State Power is 0 watts.
- Components are fully encased in potting material for moisture resistance. Driver complies with FCC standards. Driver and key electronic components can easily be accessed.
- Minimum 2.5kV surge rating
- Operating temperature: -40°C to +50°C (-40°F to +122°F)

Construction

- Rigid Precision Die cast-aluminum housing for durability and consistency.
- Vertical fins serve as a heat sink and resist accumulation of dust and debris.
- The Patent Pending thermal stacking heat removal technology extracts heat from within the housing moving it away from LEDs and integral components.
- Luminaire is proudly manufactured and tested in the U.S.
- Fixtures are finished with LSI's DuraGrip® polyester powder coat finishing process. The DuraGrip finish withstands extreme weather changes without cracking or peeling. Other standard LSI finishes available. Consult factory
- Shipping weight: with Trunnion (standard) 20 lbs / with Slipfitter 21 lbs

TLFL Series Large LED Flood Light

Features & Specifications (Cont.)

Controls

- Optional electronic button Photocontrol.
- Apertures for field or factory installed photocontrol.

Warranty

- LSI LED Fixtures carry a 5-year warranty.
- 1 Year warranty on optional Button Photocell.

Listings

- Listed to UL 1598 and UL 8750.
- CSA Listed
- RoHS Compliant.
- American Recovery and Reinvestment Act Funding Compliant.
- Suitable For Wet Locations
- DesignLights Consortium qualified luminaire, eligible for rebates from DLC member utilities.

Finishes

- Bronze is standard. Consult factory for pricing and lead time for other options.
