ENERGY SAVING CONTROL OPTION - DIM - 0-10 volt dimming enabled with controls by others.

EXPECTED LIFE - Minimum 60,000 to 100,000 hours depending upon the ambient temperature of installation location.

LEDS - Select high-brightness LEDs in Cool White (5000K), Neutral White (4000K) or Warm White (3500K) color temperature, CRI ≥ 80 (CW > 70) nominal.

DISTRIBUTION PATTERN - Symmetrical distribution with vertically tower-mounted LEDs.

HOUSING - Round one-piece die-cast aluminum with powder coated galvannealed ballast

REFRACTOR/LENS/GASKET - 16" diameter injection molded acrylic prismatic refractors are available (clear or frosted), and with a choice of no bottom lens (open) or with sag clear acrylic lens or flat clear acrylic lens. A silicon gasket seals the refractor to the ballast cover. Refractor is permanently secured to the ballast housing while bottom lens is attached with a spring loaded clamp band.

MOUNTING - Direct: Includes a hinged galvanized mounting plate with keyholes and captive screw for easy installation to a 4" square or octagonal junction box. An EPDM gasket seals the plate to the housing.

Pendant: Includes a powder coated, die-cast aluminum, hinged pendant mount box that is provided with an adjustable conduit hub for hang-straight applications. For use with 3/4" rigid conduit.

ELECTRICAL - Two-stage surge protection (including separate surge protection built into electronic driver) meets Location Category B. Available with universal voltage power supply 120-277VAC (UE - 50/60Hz input) and 347-480VAC.

DRIVERS - Available in Super Saver (SS) and High Output (HO) drive currents. Components are fully encased in potting material for moisture resistance. Driver complies with FCC 47 CFR part 15 RFI/EMI standard.

OPERATING TEMPERATURE - -40°C to +40°C (-40°F to +104°F).

FINISH - Each fixture is finished with a polyester powder coat finishing process. Standard finish is gloss white. Also available in textured black, bronze, metallic silver and graphite (consult factory).

WARRANTY - LSI LED fixtures carry a limited 5-year warranty.

PHOTOMETRICS - Please visit our web site at www.lsi-industries.com for detailed photometric data.

SHIPPING WEIGHT (IN CARTON) - 21 lbs. (9.5 kg.)

LISTINGS - UL listed to U.S. and Canadian safety standards. Suitable for damp locations.

This product, or selected versions of this product, meet the standards listed below. Please consult factory for your specific requirements.
