LED MICRO WALL WASH METRIC (MWW6)

DIMENSIONS

LIGHT OUTPUT - MWW LED								
	SS - Super Saver			HO - High Output			Watts	
Description	WW	NW	CW	WW	NW	CW	SS	Н0
600mm	1760	2060	2200	2070	2410	2650	28	35
1200mm	1970	2110	2370	3000	3200	3690	28	45

PRODUCT HIGHLIGHTS

- Recessed installation hides source while providing uniform illumination of vertical surfaces / displays
- · Narrow design for design specific applications
- Accent finish options for brightness control and aesthetics
- · Very high efficiency

EXPECTED LIFE - Projected life of at least 60,000 hours. Contact factory for TM-21 detail.

LEDs - Use of closely-spaced medium-power, high-brightness chips minimizes pixelation and provides uniform lens luminance. Available in Cool White (5300K), Neutral White (4100K) and Warm White (3500K) color temperatures. CRI >= 80 (CW > 70). LM-80 reports available.

HOUSING - Housing, brackets and end sections are constructed from code gauge, die formed steel. All metal parts are painted after fabrication following a treatment with a phosphate rust inhibitor.

SHIELDING/LENS: High Performance 95% reflective white reflector is standard for precision directed wall wash use. Optional accent trim and kicker reflector trim finishes available for many decorative applications.

MOUNTING: Designed for either grid or hard ceiling installations where ceiling access my be limited or completely restricted. All internal components are accessible from below the

ELECTRICAL - Universal voltage (120-277 Vac) input, 50/60 Hz. Power factor > 0.9, THD < 20%, in-rush current < 15 Amps.

DRIVER - High-performance isolated driver features over-voltage, over-current and shortcircuit (with auto-recovery) protection. Driver module is sealed to IP66 protection levels, with a Class A sound rating, 0-10 volt dimming available.

FINISH - All metal parts painted after fabrication following treatment with phosphate rust inhibitor. Finish coating of housing reflecting surfaces is with high-reflectance (minimum 92%) polyester powder.

WARRANTY - Limited 5-year warranty.

PHOTOMETRICS - Please visit our web site at www.lsi-industries.com for detailed photometric data.

LISTING - Listed to UL1598 and other U.S. and Canadian safety standards.

This product, or selected versions of this product, meet the standards listed below. Please consult factory for your specific requirements.
