Description: Greenlee Bullet Series BAL/BAM/BAS

LSI Agents and Internal Staff,

As we restructure our product portfolio, it is necessary to streamline and evolve our core product offering. This will allow us to focus on *newer, more innovative designs and emerging technologies* that are more aligned with customers' requirements.

The Greenlee Bullet Series (BAL/BAM/BAS) is being discontinued. Inventory on these products has been depleted. Returns (RMAs) for these products will no longer be accepted. We are recommending our LED Traditional Flood (TSFL) as a substitute for new customer requests.

We are in the process of developing a new Greenlee flood light solution with similar specifications as the Bullet Series. These exciting new flood lights will be available in the upcoming months.

All technical information for the BAL/BAM/BAS has been removed from our website.

Discontinued Products Series	Recommended Product Series
Bullet Series (BAL/BAM/BAS)	LED Traditional Flood (TSFL)
	

Thank you for supporting LSI; we look forward to bringing you new solutions on an ongoing basis.

Jamie Thomas
LSI – Outdoor Product Manager

Steven D. Lowe
Vice President of Product Management
