

## Description: LED Interior Retail Lighting (CIRU)

LSI Agents and Internal Staff,

As we restructure our product portfolio, it is necessary to streamline and evolve our core product offering. This will allow us to focus on *newer, more innovative designs and emerging technologies* that are more aligned with customers' requirements.

**The CIRU LED Interior Retail Lighting Series is being discontinued. Based on the current order rate we expect supplies on the CIRU to last through FY18 (June 2018). We are recommending the XIRR 2x2 Round Recessed LED Luminaire as a substitute for new customer requests.**

**Please note that this discontinuation does not include CIRUS.**
