## Scottsdale HID Retrofit Kit

### FEATURES & SPECIFICATIONS

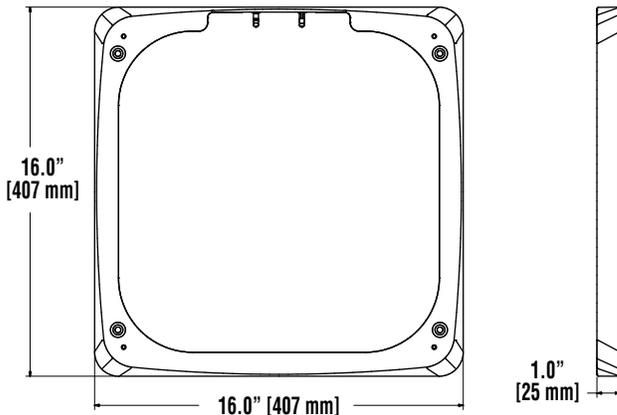

- Retrofit kit to upgrade existing Scottsdale HID (SC), Scottsdale HID Flat Lens (SCF) and Encore HID (EC/ECTA) products to LED. Works with both SCV and SCM fixtures.
- Low profile diecast mounting plate and molded wiring guide.
- Standard color is white and is finished with LSI's DuraGrip polyester powder coat process. DuraGrip withstands extreme weather changes without cracking or peeling.
- Installation is a simple 5 step process.
- UL Classified to UL-1598C as a retrofit kit to retrofit an LSI Scottsdale HID Luminaire when used with an LSI SCV or SCM canopy luminaire.
- Specifications and dimensions subject to change without notice.
- Patent pending

# Scottsdale HID Retrofit Kit

## 5 Step Installation

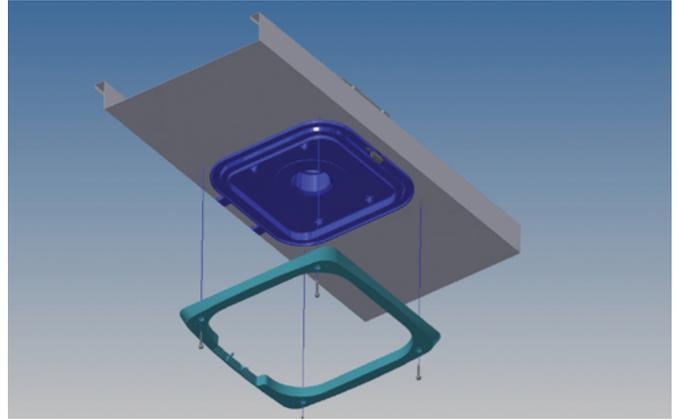

### Step 1:

Remove door, reflector, lamp and socket.

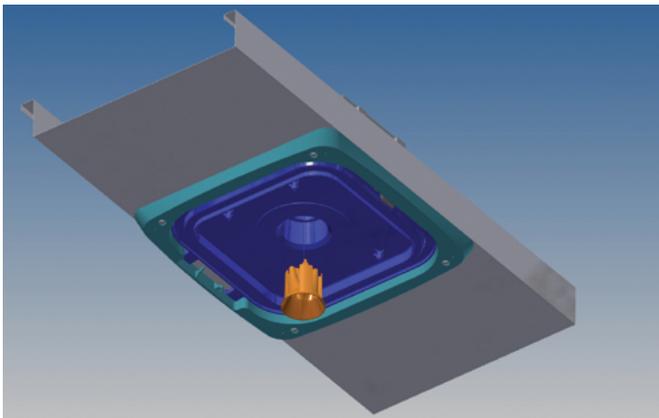

### Step 2:

Install adapter frame.

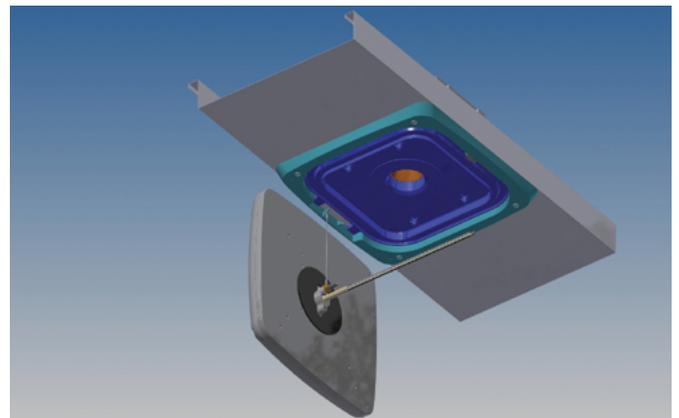

### Step 3:

Install wiring guide into lamp socket cavity.

### Step 4:

Attach tether to SCM or SCV and hang from hook on adapter frame. Thread wires through wiring guides into Scottsdale HID ballast box.

### Step 5:

install SCM or SCV to adapter frame and connect wires.
