HOW CAN JSI HELP YOU?

Refrigeration

JSI brings you the latest innovations in refrigerated display cases, turning ordinary refrigerated cases into convenience store merchandising display powerhouses.

We make custom standard. From Multi-Level refrigerated cases to low profile slant bins—our customizable solutions are all designed to maintain critical temperatures to keep your fruits fresh, veggies vibrant, and prepared foods perfect.

Bakery

Showcase your baked goods while keeping them at their freshest with JSI pastry cases, tables and refrigerated units. JSI has a wide range of display cases to support your fresh baked program and display tables for your bakery package program. Our fixtures create a cohesive impression and display your products beautifully.

Millwork/Specialty

Create a unique ambiance for coffee stations, growler bars, service bars, and more with JSI. Building on-site can be expensive and time consuming. JSI can save you time and money by designing and providing stunning fixtures for your store's services.

LSI

Our partnership with LSI makes us an all-in-one solution for Convenience. LSI provides high-performance, American-made lighting, decor and graphics solutions that will bring your space to life. From interior and exterior lighting to menu boards and monitors, LSI can make it happen!

CUSTOM MILLWORK SOLUTIONS

JSI offers a wide range of millwork solutions that can be customized to fit any space. We partner with our customers to design, manufacture and deliver great solutions on time for their customers and employees.

Whether it's a single fixture or complete store remodel, we've got you covered!

KEEP IT COOL WITH JSI REFRIGERATION

We offer a large selection of self-contained, remote and type 2 certified refrigerated fixtures.

Self-Contained

Self-contained refrigerated fixtures can be placed in a variety of areas throughout the store creating merchandise power houses to enhance your customer's experience.

Remote

Our remote refrigerated fixtures are designed to easily tie into your existing system adding a fresh new look to any location.

Type 2 Certified

Type 2 certification gives you the confidence that our merchandise power houses will keep your product fresh all the time.

JSI has what you need when it comes to refrigeration. With fully customizable fresh to go islands and slant cases you can be sure your next solution will deliver results.
